Summer Holiday Home Work

Grade: II

Dear Parents,

Summer vacations are a welcome break for our children- a break from getting up early in the morning and following a fixed schedule. This is a great time to learn new things. Keeping this in mind, to keep our little angels engaged and to channelize their energies we have planned very interesting and creative holiday home works for them.

It's time to have fun, create and invent.

Please take note of the following instructions: -

- 1. All the home works should be done properly and neatly.**
- 2. Children should do the listed activities under the guidance and assistance of their parents.**
- 3. All the project work should be done in coloured A4 size papers and submitted in a button file.**
- 4. Button file should be properly labelled by With student's name, roll no. and grade.**

EVS (In each of the following seek guidance from the image given adjacent.)

- 1) Use a thermocol plate to show pictorially a balanced diet.**

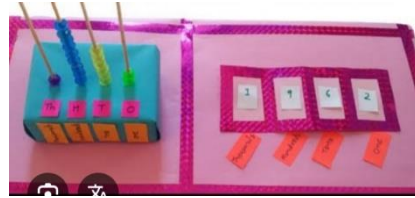

- 2) Make a model of an igloo using cotton on a cardboard or a thermocol piece.**

- 3) Visit a nearby tailor and collect the pieces of different types of fabrics from them. Paste those in an A4 size paper and write the fabric's name.**

Maths

1) Make a model of an abacus.

2) Use basic 2-digit addition and subtraction on the flower petals to equal the number in the centre (by the use of paper and wooden sticks)

3) Practice all the chapters taught.

Computer

1) Paste 5 pictures of the places where computers are used and name them in an A4 size paper.

2) Paste images of different parts of a computer and write

1 function of each on an A3 size chart paper.

3) Make a model of a keyboard using different materials (like cardboard & thermocol)
