Summer Holiday Homework **Grade VI**

Dear Parents,

Summer vacations are a welcome break for our children- a break from getting up early in the morning and following a fixed schedule. This is a great time to learn new things. Keeping this in mind, to keep our little angels engaged and to channelize their energies we have planned very interesting and creative holiday home works for them.

It's time to have fun, create and invent.

MATHS

1. On a Chart Paper write the table of 17 & 18 in Roman numerals with the help of match sticks or thread.
2. Make the place value charts of National and International system (on an A4 size chart paper).
3. Make any five shapes (given in the chapter:-Patterns) with the help of thermocol beads and name them.
4. Solve Ex - 3 A in your mathematics HW copy.
